To the Sinclair Team:

Thank you for being a vital part of the success of the Phase 1B project at Coca Cola's Headquarters. This \$40MM renovation to The Coca-Cola Company's main dining platform and conferencing space could not have been accomplished without the dedication of your team. Collectively, we met our committed turnover date which was an incredible feat considering all the challenges we were faced with in order to reach our goal. We'll never forget how your team pulled off the elevated concrete pour to allow us to keep our previously scheduled "topping out" party date! The Sinclair Team was truly a vital part of the project's success. Your commitment to doing whatever it takes made the difference.

We look forward to working with the Sinclair Team for many years to come.
