

Dear Mr.Adams,

Congratulations!

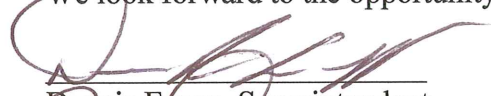

Sinclair Construction has been awarded the “Contractor of the Month” for Parcel B at the Buckhead Atlanta project for the month of December.

The “Contractor of the Month” award is based on a random interview between a work crew and a Balfour Beatty Supervisor. This interview is conducted asking questions regarding proper work planning and the execution of that work plan including safety, quality and consideration for others.

As part of this recognition, your entire team will be recognized on February 7 at 10:30 am with a lunch, a recognition plaque and t-shirts. Should your time permit, we would greatly appreciate you joining us in recognizing your team’s efforts.

On behalf of the entire Buckhead Atlanta Team, we greatly appreciate your dedication to sending every worker home safely every night. Should you have any recommendations or suggestions on how we can improve our safety program, we value your input.

We look forward to the opportunity to present this award to your team again!
